Red Deer Hog Chapter 9035  
**Red Deer H.O.G. Chapter 9035**  
**February Newsletter**

**January** brought out the best of the best as our "Bowl a HOG Membership Renewal and Chapter Fun Event" kicked off what looks to be an exciting year for our members. There was laughter everywhere as bowling skills of all kinds (and I do mean of all kinds) were unveiled for all to see. The Team of Allan, Bruce, Cheryl, Johnny and Vanessa (bowling for Johnny...who was apparently injured.. poor baby L) were our grand prize winners with each member walking away a winner and \$50.00 dollars richer for showing the other teams what a bowling ball was made for. Thanks Bruce for putting out the challenge and following through as a Winner! At the other end of the spectrum our true colors were on display as the greatest amount of sportsmanship was delegated to Anne, Greg and Carol. Was the display really worth the \$25.00 prize? We think so! J That display was followed by a wonderful meal and more laughs along with a draw for the remaining Gift Certificates. All in all, everyone came away a winner. Well except for the team who won the sportsmanship title... lol Thank you to all of the members who were able to make it out as it was your support that made this event the success it was!

**In Other News**, remember to go to [www.hogmagazine.ca](http://www.hogmagazine.ca) and get yourself registered to see and experience our HOG Magazine and all of its content on line. You will need your CD HOG # to get yourself registered the first time but I am sure it's worth it!

Comments and input are always welcome from all members and you are welcome to send them in confidence to [members@reddeerhog.com](mailto:members@reddeerhog.com) or alternatively, you are also welcome to approach any of the executive and I am sure they would be happy to bring any ideas forward for discussion. A list of your executive (along with pictures... L) is also available on the web site if you are not sure of who they all are. At the very least, our esteemed Assistant Director, Brad Swinston would be happy to help answer any questions you may have or at least point you to the right person. I mean he does have to be responsible for something!
