January Newsletter

December was a quiet month for the chapter with the new executive getting use to their duties and responsibilities and working towards an exciting 2012 riding season. Comments were abundant from members and staff at the dealership on the interesting articles to be found in the newest version of the H.O.G. Magazine which is also now available on line. There is a great article on group riding, stager and spacing intervals if anyone wishes to read more let alone all of the upcoming events for 2012 with H.O.G. National.
