

RED DEER HARLEY OWNERS GROUP
CHAPTER 9035
MILEAGE PROGRAM

Member Name _____

H.O.G.® Membership # CD_____ Expiry Date_____

BEGINNING MILEAGE _____

Verification _____

ENDING MILEAGE _____

Verification _____

Mileage must be verified at the beginning and the end of the riding season. Have a member of the Executive look at your odometer or take a picture with your phone or camera. Executive member's names may be located on the Red Deer Chapter website www.reddeerhog.com or send us an email at members@reddeerhog.com with your form and opening mileage pic.

Closing Mileage program forms must be submitted to the Executive before the Annual General Meeting by October 30, 2011, so we can tabulate the results.

This is a chapter sponsored program and is separate from the H.O.G.® Mileage Program. All participants must belong to the local chapter and be current with their National Membership at time of form submittal.

Members that log the most miles during our riding season will be announced at our AGM in November and prizes will be awarded.

We want everyone to participate, so along with this we would like to hold a Chapter Mileage Challenge. Our goal is 1 Million collective kilometres. We would like everyone to submit their total mileage for the upcoming riding season to us no matter how many. As an added bonus we will be holding a participation prize draw at the AGM in November for everyone that has submitted their mileage. Sign up now and good luck.
