RV Services

Certified Technician On-Site Mechanical & Maintenance Services	\$85/hour
Parts Store-Inventory based on most frequently purchased items	10% off

Dump Station: We provide a dump station on site for customer use. There is a \$10.00 maintenance fee charged per month and that allows you unlimited use for the month. Or you can have a RVRO employee perform the dump service for you for \$28.00 per dump, including chemicals.

Pre-Trip Inspection: After having your RV stored for a period of time you may want a RVRO technician perform a Pre-Trip Inspection to insure your RV is ready to go. This inspection consists of checking and

servicing tires, refrigerator, A/C, water system, battery, propane and a complete exterior visual inspection as well as plugging in RV a day before your departure. There is a \$25.00 charge for this service, however if your RV requires additional services we will contact you prior incurring any additional costs to your RV.

Cleaning & Detailing: We have a full crew of cleaning and detailing personnel on staff that can provide everything from basic wash service to complete wax and detail. Call Dave or Rob and give them the opportunity to provide you a quote to help make your coach like new!

Propane Service: RVRO has added propane service for its customers. Storage customers will enjoy the convenience of getting the propane system filled before leaving on your adventure. If you would like us to provide this service it's included in our *Pre-Trip Inspection* (plus the cost of LP).

RV Store: RVRO has put together a store inventory based on the most frequently purchased items. We continue to hear from customers visiting our store who want to see more accessories and camping products. We continue to grow and add to our inventory by including many of the requested items. Feel free to make special requests. Often time's products not shown in our store are available by placing an order with one of us. Most orders are received within 24 hours.

"Managed Fleet" program: RVRO of Arizona has an exciting "Managed Fleet" program for RV owners. If you have a 2006 or newer Class A motorhome that is sitting idle, we have a great program to earn EXTRA money by renting your RV! We are experts in managing and servicing top line Class A recreational vehicles, gas and diesel powered. We can add your vehicle to our exceptional fleet of rentals while you retain 100% ownership. RV rentals are in high demand! Are you ready to turn your RV into a new income source? Please see one of our RV rental reservation specialists for complete details.

Our goal is to do all the work while you have all the fun!!

Thanks,
